Sir:

DOCUMENT RESUBMISSION

On September 7, 2006, Applicants timely filed a Reply to the Office Action mailed June 7, 2006. Applicants also filed an Information Disclosure Statement on that date. Upon reviewing the status of this application on the Office's Patent Application Information Retrieval (PAIR) webpage, Applicants determined that the Information Disclosure Statement had been entered and scanned, but that the Reply had not. In view of these circumstances, Applicants are filing herewith replacement copies of the Reply to Office Action, Information Disclosure Statement, one listed document, and PTO/SB/08 Form that they filed on September 7, 2006. Applicants also attach a copy of

a postcard, which was stamped by the Office of Initial Patent Examination on September 7, 2006, indicating that those papers were filed on that date.

Applicants respectfully request that the Office enter the attached papers in its file for this application. Applicants further request that the Office acknowledge that the attached papers were filed on September 7, 2006.

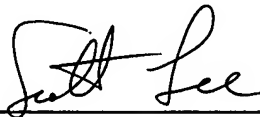

Applicants do not believe that any extension of time is due in this application in order to have the attached papers, originally filed on September 7, 2006, entered. However, if the Office disagrees, Applicants request that any extensions of time required to attain entry of the attached papers be charged to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
